The Arroyo Day Dinner Dance Saturday 31st October 2009

Dear Member

With the time slipping by like there is no tomorrow we are already at that time of year when we start looking forward to our Arroyo Day Celebrations', it hardly seems as though April is almost five month's behind us when we were together for the St George's Day Luncheon.

This year we are to host a dinner & dance in the Colchester area a move away from the Victory Service's Club in London which has become in effect our traditional venue for so many year's, another change to this year's event is to hold it in the evening instead of a luncheon which is hoped many generate some new member's to the branch but I must hasten to add not at the expense of our longer serving senior member's.

The Dinner & Dance is to be held on Saturday the 31st October 2009 in the ST Giles Hall, Southway, Colchester, Essex, which is located close to the town centre and Colchester town railway station.

The cost for the evening will be £25.00 per person for members, partners and their guests which remains' the same as last year. Entertainment in form of a disco has been booked and we shall also be holding our usual raffle.

Please find attached a small pro-forma, which I invite you to complete and return to myself by Monday 19th October 2009 to the address above.

On such a fine occasion it will be as always my pleasure to welcome as many of you who can attend the evening to enjoy each other's company and up hold the fine traditions of our former regiment.

With warmest regards

George Foreman
